I understand that any negative personal habits that I have (smoking, alcohol, profanity, etc) may have a negative effect on a child's spiritual development. Understanding that the children on my team have been placed under my guidance, I commit to setting a worthy behavioral example for them to look to. Please go to www.fbcbrandon.org and click on resources and then the volunteer screening application. This is a part of our new protect our ministry program and is the first of 3 steps required as a part of volunteering at FBC Brandon.
