# Class Descriptions

**Balance & Tone:** Class is designed to improve strength, balance and range of motion while using light weights

**Core and More:** A little bit of cardio then concentrate on abs and lower back strengthening.

**Functional Fitness:** Class perform tasks in training that replicate the movements found in life; improve muscle and core strength.

**??:** In this class you can learn to move to a variety of music while utilizing low impact movement.

**REFIT®:** Is a cardio dance program that engages the whole person: body, mind and soul; it is easy to learn with inspiring music.

**Slow Flow (Tai-Chi):** A gentle class that focuses on breath, balance and strength flowing through a sequence of exercises.

**Soulful Stretch:** Stretching poses are held to increase flexibility, build strength, improve posture with an emphasis on breath. Class is done on a mat.

**Total Body:** A class designed to alternate cardio and strength training. The class varies each week and can easily be adjusted to all fitness levels

**Walk this Weigh:** A class using the walking track which averages a mile walk intermixed with strength and flexibility exercises. This class is great for beginners.

**Zumba:** A Latin-based workout. Easy to follow choreography to energetic upbeat Latin and Christian music. A real cardio and spirit booster.

## Indoor Cycle

**Cycle:** Classes are 30 or 45 minutes long, done on stationary bikes where the instructor simulates a ride. Together, you travel on flat roads, climb hills, sprint and race! It is truly a fantastic cardiovascular class great for all levels. Sculpted cycle is alternating cardio on the bike and then off the bike doing strength exercises with weights or bands.

## SilverSneakers®

**Classic:** Have fun and move to the music through a variety of exercises designed to increase muscular strength, range of movement and activities for daily living. Hand-held weights, elastic tubing with handles and a Silver Sneakers ball are offered for resistance. A chair is available if needed for seated or standing support.

**Circuit:** Combine fun with fitness to increase your cardiovascular and muscular endurance power with a standing circuit workout. Upper body strength work with hand-held weights, elastic tubing with handles, and a Silver Sneakers ball is alternated with low-impact aerobic choreography. A chair is used for standing support, stretching, and relaxation exercises.

**Chair Stretch:** Move through a complete series of seated and standing yoga poses. Chair support is offered so you can perform a variety of seated and standing postures designed to increase flexibility, balance and range of movement. Restorative breathing exercises and final relaxation will promote stress reduction and mental clarity. This class is suitable for nearly every fitness levels.
